

# LemonsLemons

## Cookie Policy

Effective date: 29 March 2026

Platform: lemonslemons.ai

Operator: Godomodo Ltd. ("Godomodo" EOOD), UIC 206394015

Contact: [privacy@lemonslemons.ai](mailto:privacy@lemonslemons.ai)

## 1. What Are Cookies

Cookies are small text files placed on your device when you visit a website. They are widely used to make websites work efficiently, remember your preferences, and provide information to website owners.

Similar technologies — such as pixel tags, web beacons, and local storage — work in comparable ways and are covered by this policy. We refer to all of these collectively as "cookies" throughout this document.

This Cookie Policy explains what cookies we use on lemonslemons.ai, why we use them, and how you can control them.

## 2. Our Cookie Consent Approach

In line with EU ePrivacy law (the "Cookie Law") and the GDPR, we ask for your consent before placing any non-essential cookies on your device. When you first visit the platform, a cookie banner allows you to:

- Accept all cookies
- Accept only essential cookies
- Customise your preferences by category

You can change your preferences at any time by clicking the "Cookie settings" link in the footer of the platform. Withdrawing consent does not affect the lawfulness of any processing that took place before withdrawal.

Essential cookies are placed without consent because they are strictly necessary for the platform to function. All other cookies require your explicit opt-in.

## 3. Categories of Cookies We Use

### 3.1 Strictly necessary cookies

These cookies are essential for the platform to operate. They enable core functions such as account login, session management, security, and payment processing. The platform cannot function properly without them. No consent is required for these cookies.

Cookie name	Type	Duration	Purpose
-------------	------	----------	---------

session_id	Necessary	Session	Maintains your login session while you use the platform
csrf_token	Necessary	Session	Protects against cross-site request forgery attacks
cookie_consent	Necessary	12 months	Stores your cookie consent preferences
stripe_mid	Necessary	12 months	Payment security token set by our payment processor (Stripe)
stripe_sid	Necessary	30 minutes	Short-lived session token for payment processing

### 3.2 Functional cookies

These cookies enable enhanced functionality and personalisation, such as remembering your language preference or display settings. They are not strictly necessary but improve your experience. These cookies require your consent.

Cookie name	Type	Duration	Purpose
ll_prefs	Functional	6 months	Remembers your display preferences and UI settings
ll_lang	Functional	12 months	Stores your language or locale preference

### 3.3 Analytics cookies

These cookies help us understand how users interact with the platform — which pages are visited, how long sessions last, and where users navigate. The information is aggregated and anonymous. We use this data to improve the platform. These cookies require your consent.

Cookie name	Type	Duration	Purpose
_ga	Analytics	2 years	Google Analytics: distinguishes unique users
_ga_*	Analytics	2 years	Google Analytics: session and campaign data
_gid	Analytics	24 hours	Google Analytics: distinguishes users within a 24-hour period
_gat	Analytics	1 minute	Google Analytics: throttles request rate

### 3.4 Marketing and targeting cookies

These cookies track your browsing behaviour to deliver relevant advertising and measure campaign performance. We currently use these only in limited circumstances (e.g.

retargeting users who have visited the platform). These cookies require your explicit consent and will only be set if you opt in.

Cookie name	Type	Duration	Purpose
_fbp	Marketing	3 months	Meta (Facebook) Pixel: tracks visits for ad retargeting
li_fat_id	Marketing	30 days	LinkedIn Insight Tag: tracks conversions from LinkedIn ads

## 4. Third-Party Cookies

---

Some cookies on our platform are set by third-party services we use. These third parties have their own privacy and cookie policies, which we encourage you to review:

- **Google Analytics:** [analytics.google.com/analytics](https://analytics.google.com/analytics) — aggregated usage analytics
- **Stripe:** [stripe.com/privacy](https://stripe.com/privacy) — payment processing and fraud prevention
- **Meta (Facebook):** [facebook.com/privacy/explanation](https://facebook.com/privacy/explanation) — advertising and retargeting (only if marketing cookies are accepted)
- **LinkedIn:** [linkedin.com/legal/privacy-policy](https://linkedin.com/legal/privacy-policy) — advertising and retargeting (only if marketing cookies are accepted)

We do not have access to or control over cookies set directly by third parties, beyond whether they are loaded at all based on your consent selection.

## 5. How to Manage Your Cookie Preferences

---

### 5.1 Via our cookie banner

When you first visit the platform, you will see a cookie consent banner. You can accept all, accept only essential, or customise your choices by category. You can revisit and change these choices at any time using the "Cookie settings" link in the platform footer.

### 5.2 Via your browser settings

Most browsers allow you to control cookies through their settings. You can typically:

- View what cookies are stored and delete individual cookies
- Block all cookies or block third-party cookies only
- Set your browser to notify you when a cookie is placed

Please note that blocking essential cookies will impair platform functionality, including the ability to log in and make bookings. Browser-level blocking also does not update your consent record with us — please use the in-platform cookie settings for that.

Links to cookie management guidance for major browsers:

- Google Chrome: [support.google.com/chrome/answer/95647](https://support.google.com/chrome/answer/95647)
- Mozilla Firefox: [support.mozilla.org/kb/cookies-information-websites-store-on-your-computer](https://support.mozilla.org/kb/cookies-information-websites-store-on-your-computer)
- Safari: [support.apple.com/guide/safari/manage-cookies-sfri11471](https://support.apple.com/guide/safari/manage-cookies-sfri11471)

- Microsoft Edge:  
[support.microsoft.com/microsoft-edge/delete-cookies-in-microsoft-edge](https://support.microsoft.com/microsoft-edge/delete-cookies-in-microsoft-edge)

### 5.3 Opt-out tools

You can opt out of Google Analytics tracking across all websites by installing the Google Analytics Opt-out Browser Add-on at [tools.google.com/dlpage/gaoptout](https://tools.google.com/dlpage/gaoptout).

For interest-based advertising opt-outs, visit [youronlinechoices.eu](https://youronlinechoices.eu) (EU) or [optout.aboutads.info](https://optout.aboutads.info) (global).

## 6. Do Not Track

---

Some browsers offer a "Do Not Track" (DNT) setting. Because there is no consistent industry standard for responding to DNT signals, our platform does not currently change its behaviour based on DNT browser settings. We rely on your in-platform consent choices instead.

## 7. Cookies and Personal Data

---

Some cookies we use process personal data — for example, analytics cookies that track your session by a unique identifier, or payment cookies that are associated with a transaction. Where cookies process personal data, that processing is governed by our Privacy Policy at [lemonslemons.ai/privacy](https://lemonslemons.ai/privacy).

We are the data controller for cookies we set directly. For cookies set by third parties (see Section 4), the relevant third party is the data controller.

## 8. Changes to This Policy

---

We may update this Cookie Policy as our use of cookies changes or in response to regulatory developments. The effective date at the top of this page will reflect the latest version. Where changes are material, we will notify you via the platform or by email.

## 9. Contact

---

If you have questions about our use of cookies or this policy, contact us at:
